(\*) A nossa garantia é limitada ao fornecimento, reparação ou substituição das peças ou perfis com defeito. A entrega e a instalação dos nossos produtos ou custos de portes de produto dentro da garantia até à nossa fábrica não são incluídos. A garantia será somente válida após reconhecimento pelos serviços técnicos da empresa, que o defeito não é de mau uso, instalação ou reparação do cliente. A responsabilidade da empresa é limitada à simples substituição, para cada peça ou perfil, que nós confirmamos como não conformes, e devolvidos à nossa fábrica, em estado original, um mês depois de o produto chegar ao cliente. As intervenções em garantia não prolongam a garantia. A garantia é automaticamente suspensa se as condições de uso definidas pelos documentos técnicos fornecidos pela empresa não forem respeitadas.

(\*) Notre garantie est strictement limitée à la fourniture, à la réparation ou au remplacement de pièces ou profils défectueux. La dépose et la pose de nos produits ou les frais de transport du produit sous garantie jusqu'à notre usine ne sont pas inclus. La garantie ne sera effective qu'après la reconnaissance par les services techniques de la société que le défaut n'est pas d'une mauvaise utilisation, installation ou une réparation du client. La responsabilité de l'entreprise est strictement limitée au remplacement pur et simple, pour chaque pièce ou profilé que nous aurons reconnus non conformes et retournés à nos usines, dans leur état d'origine dans un mois après l'arrivée du produit au client. Les interventions sous garantie ne sauraient avoir pour effet de prolonger la durée de celle-ci. La garantie est automatiquement suspendue si les conditions d'utilisation définies par les documents techniques fournis par la société n'ont pas été respectées.

(\*) Our warranty is strictly limited to the supply, repair or replacement of defective parts or profiles. The removal and installation of our products or the cost of transporting the product under warranty to our factory are not included. The warranty will be effective only after the recognition by the technical services of the company that the defect is not from misuse, improper installation or repair by the customer. The corporate responsibility is strictly limited to the replacement pure and simple, for each part or profile that we recognized non-conforming and returned to our factories in their original condition within one month after the arrival of the product to the customer. Warranty service does not have the effect of extending the duration of it. The warranty is automatically suspended if the conditions of use defined by the technical documents provided by the company were not met.
